

Shop Tech Talk May 2010

Best Learning Resources

It is the best of times to learn all you want to know by plugging into the vast sources of online and free magazines available. Here are the sources I use.

<u>Source</u>	<u>Description</u>	<u>Link</u>
Pumps & Systems Magazine - The Resource for Pump Users Worldwide	Free Magazine	http://www.pump-zone.com/
Control Design Industrial Automation Engineering & Factory Systems	Free Magazine	http://www.controldesign.com/
Control Engineering :Covering control, instrumentation, and automation systems worldwide Homepage	Free Magazine	http://www.controleng.com/
Design News for Mechanical and Design Engineers Design News	Free Magazine	http://www.designnews.com/
UK Drives & Controls :magazine - drives, controls, motors, automation & motion	Free Magazine	http://www.drives.co.uk/features.asp?id=3
EC&M :Electrical Construction and Maintenance	Free Magazine	http://ecmweb.com/
eDrive :Magazine – Motors and Drives Conference	Free Magazine	http://e-driveonline.com/
Hydraulics Pneumatics: Archives	Free Magazine	http://www.hydraulicspneumatics.com/200/IssueArchive/2009
Industrial Water World	Free Magazine	http://www.waterworld.com/index/industrial-water.html
Lubrication Management and Technology	Free Magazine	http://www.mt-online.com/lmt-home.html
MachineDesign.com	Free Magazine	http://machinedesign.com/
Machinery Lubrication Magazine - for Maintenance and Reliability Professionals	Free Magazine	http://machinerylubrication.com/
Maintenance World: Maintenance, Preventive Maintenance, root cause analysis, Planning and scheduling,	Free Magazine	http://www.maintenanceworld.com/
Maintenance Technology:Archives	Free Magazine	http://www.mt-online.com/mt-articles.html
Maintenance Technology	Free Magazine	http://www.mt-online.com/
Motion System Design - designing product and industrial machinery motion systems for manufacturing engineers	Free Magazine	http://motionsystemdesign.com/
Plant Engineering Magazine	Free Magazine	http://www.plantengineering.com/
Plant Services	Free Magazine	http://www.plantservices.com/
Power In Motion - International magazine on Power Transmission and Motion Control	Free Magazine	http://www.powerinmotion.info/
Reliable Plant Magazine	Free Magazine	http://www.reliableplant.com/

Holland Industrial, 518 West Montgomery Street, Henderson, NC., 27536
 Tel: 1-800-232-7541, Fax 1-252-492-2444, E-Mail: sales @ hollandindustrial.com
